Om Namaste - We are all OK. We are
working on VISA. As you said, Ruth is being
the sponsor. Now we are getting letters of
recommendation from people here. Absurdity as
usual. I am liking NOWA but sometimes I get
ridiculously angry. But it helps. Your books are
in Bondana's mother's garage, except for a couple
which are with Linda, John or Betsy. I will get them
all for you when I come there Dec 11. BD is a total
freak. Your work on ashram is very good. We can figure out
details when I see you. I love you Shanti Mahendera
Harisharnam

You sound well and happy. We are really
fine. Sadhana's progressing. Sorry about book
hassle (we thought you'd be gone longer than
us) Linda has Ramana Maharshi Talks. Ruth has
How to Know God. Others, my mother's house. M. will
get all for you soon. Our karmic pathways are
unfolding like a flower. It's all God. Namaste
Bondana
