

SRI-RAM

SHRI BHAGWAN BALLABH
PANDE
KANIKHAL HARDWAR U.P.

Dear Baba Prem Dan,
Harishaman.

Received your letter which shows that you are gaining much peace now. I am happy to see you in peace. I hope you will do better Sadhana now.

A group of ten people (devotees of Baba Prem Dan) is in Haridwar. They are intending to have a long house on rent and do Sadhana.

Mahendra and Bandana are trying for my Visa. I'll go to Delhi on 15th for applying for a passport. I don't know about foreign exchange. It is very difficult to get foreign exchange. The one thousand \$ with me is now in a Rupee. I don't know how it will be changed into \$. Any how I'll discuss all these things at Delhi with officials.

Due to certain reasons Mahendra & Bandana are shifted to Sri Bhagwan Ballabh Pandei Kanikhal's house. Both are quite happy there. Rest of the Sadhaks are in Sapta Sarovar in different places.

The mantra which you got in a dream belongs to SHIVA of Himalayas. Do you remember its Beeja Mantra.

Your idea of going to school is very good. School will not disturb your Sadhana. As you know all these things family, schools, friends etc are not true but we work with them thinking as true. But we should be alert every time that Samsara is a Cobra Snake. It will kill us if we are not alert. If you are alert Family, ~~Family~~^{Friends}, Parents, all are same. It is very good to work like Arjuna. Arjuna did every thing with out having any desire and he left every thing with out any desire and went to Himalayas with his brother. In school you can do mental Sadhana. You can train your mind. Do THIS, DON'T DO THIS. In this way your mind (CHIT) will be in your hand.
