Dear Baba Prem Das,

I have been on Island in South China Sea
in Meditation Retreat so I am just now
writing. Will probably sail on Boat from
Japan on June 15th arrive in America
July something. Would like to have Darshan
of Hari Dass Baba very much. If I come
down the Coast from San Francisco
Should I stop in Sakata Cruz? I pray
everything is going well for Babaji.
Ran Das is with Maharaji now and
doing much Sadhana in Kosani

Please write me here in Kyoto and tell
me what happening. Or if possible hand ask
Babaji is he could write his words are
always Ananda to my heart. I
miss India very much still kind of
twilight wandering I'm hoping some
good jungle place in America will
bring Calm and dhuni love. Good
trees there I hear.

Salutations and prostrations
Pranam to Lotus feet of Babaji
