March 20, 1975

This is to inform you that Cowell College at the University of California at Santa Cruz has invited the well known shaman, Don Medrono Caterino and his family for a program dealing with Huichol culture and life in May 1975. He and his family will conduct conferences and seminars, and provide demonstrations on various aspects of ethnological interest. We are most pleased to be the host of Don Caterino and his family during his stay in Santa Cruz and of course will be financially responsible for them during their visit to our campus.

Sincerely yours,
